LIFTING OF THE BOIL WATER ADVISORY

Chelsea, May 1, 2026 - The Municipality of Chelsea wishes to inform residents that the preventive boil water advisory has now been lifted for all users served by the municipal water system. Water samples analysis have confirmed that the situation has been fully resolved. **The water is safe for consumption.**

The advisory had been issued on April 30, 2026, due to a mechanical failure.

The Municipality thanks residents for their cooperation.
